RE: Proceeding No. 15-149

Dear Chairman Wheeler:

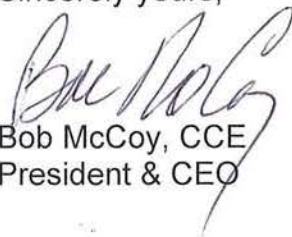

The Eau Claire Area Chamber of Commerce is a member driven organization with over 1200 members, employing just over 30,000 people in the Chippewa Valley. Our mission is to be the advocate of business, striving to enhance and protect the business environment and the quality of life for the benefit of our members and the Chippewa Valley.

Our Chamber is a strong supporter of telecommunications, as that will be our future in all aspects. We are excited about the opportunity to work with the New Charter, which if approved would merge Charter Communications, Time Warner Cable and Bright House Networks.

We have been a strong advocate of Broadband and we believe this would be a real advantage to not only businesses throughout the rural area but also to the consumers who deserve high speed service.

We believe the merger would be a positive change for the Chippewa Valley and I would encourage you to approve the merger.

Sincerely yours,

Bob McCoy, CCE
President & CEO
